I . Overview

Korea Materials & Components - Ppuri Industry Week 2018

Oct 23rd (Tue) – 25th (Thu) 2018, during 3 days | KINTEX Hall 5

 Hosted by

 Organized by

 Cooperative Institution
(2017)

I . Overview

	Exhibition	- Material-Components-Ppuri companies' product and technology
	1:1 Matching with overseas buyers	- 1:1 Export Consulting with overseas buyers (supported by KOTRA) : [2017] 47companies, Consultation 437 (697 million dollars) MOU 6 (53million dollars)
	Consulting on Investment	- Venture Capital – Demand companies 1:1 investment consulting
	Consulting on Technology	- 1:1 technical consulting for small and medium sized companies which have gone through technical problems : Ppuri Industry Technical Connect, 1:1 consulting with government-funded research institutes
	Awards & Conference	- Awards ceremony for those who have contributed to developing industry and technologies of material and components - Forum/Conference featuring the latest technologies and trend

I . Overview

Exhibit

Machinery

Coupling,
Spindle,
Pump,
Compressor Parts,
Valve,
Bearing, etc.

Electronic

Display Parts,
Touch Panel,
Camera Module,
Optical Lens,
Auto Focus Actuator,
Image Sensor, etc.

Electricity

Motors,
Electronic
Control Device,
Power Module,
Cable,
Condenser, etc.

Ppuri

Casting
Mold
Plastic working
Welding
Heat treatment
Surface treatment

Metal

Nonmetal Materials,
Aluminium Alloy,
Rare Earth Alloy,
Metal CNT Composite, etc.

Ceramic

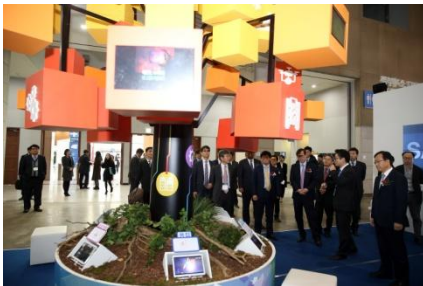

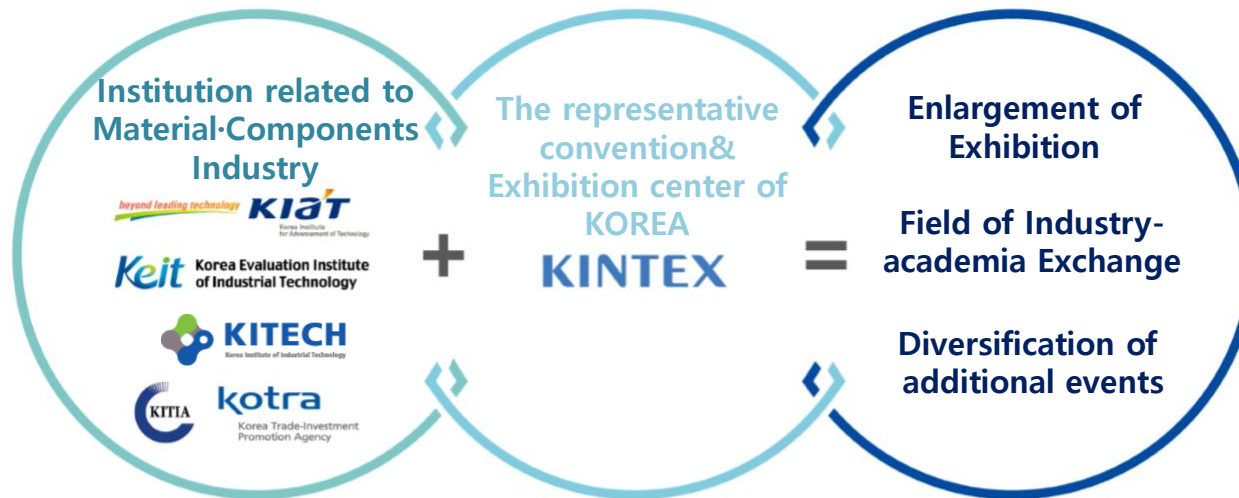

Electronic Ceramic,
Ceramic Powder,
Electrooptical Sensor,
Chip Varistor,
MLCC, Filter, etc.

Chemical

Fine Chemical,
Adhesive Material,
High-Functional
Coating/Film,
Nano Processing, etc.

II. Feature

II. Feature _ Post Show report

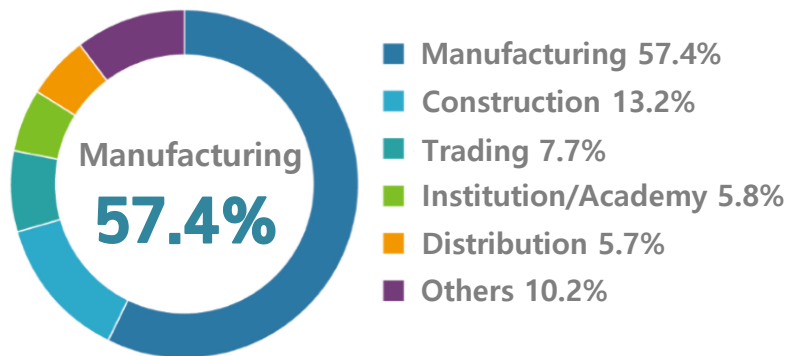

(2017)

Visitor

11,747

Status of the type of Business

Overseas Buyers

72

 invited buyers

Consultation **555** cases, **699** million dollars
MOU **15** cases, **54** million dollars

Main Visitors

III. Additional Events

[INTERNATIONAL] GP KOREA : Global Partnering

1:1 consulting with overseas buyers

Supporting domestic small-medium sized companies' export expansion

Presentation of purchasing policy from overseas buyers

Main subject(2017) : Automatic, Electricity, Machinery, etc

[DOMESTIC]

Opportunities of meeting leading manufacturers of KOREA

SAMSUNG, LG, SK, Hyundai, KIA, etc (Global leading companies from KOREA)

Building up human networks in manufacturing industry

From material to components

Infinity Enterprise, Inc (Exhibitor's interview)

"It was impressive and good show. We received high power business cards(decision maker) and it's going to be a big success. I'm very satisfied with the show"

III. Additional Events

[INVESTMENT]

1:1 Investment Consulting

Venture Capital – Demand companies

: Check the possibility of attracting investment and needs of improvement according to companies' situation

M&A Consulting

1: 1 matching with global M&A expert including joint venture

[TECHNOLOGY]

Ppuri Industry Technology Connect

Consulting with Ppuri Company

Consulting of Purchasing, Supplying, Technology Cooperation/Transfer about Suggestion/Demand technology

Main subject(2017) : Automation, Smart Solution, Effectiveness of Energy

Consulting with government-funded research institutes

1:1 consulting for companies which have went through technical problems

Main subject(2017) : Film type 3D Touch, MOF sorbent, High molecule material

III. Additional Events

[CONFERENCE]

M&A Conference

Market Trend of North America, Europe, Japan, etc.
Market Expansion Strategy toward Asia

Ppuri Industry Conference

Market Trend and Vision for main Ppuri technology
Main subject(2017) : Future Automobiles, Electronics, Smart Factory

The future prospect of Material and Components

Technology Trend and Vision for Material and
Components related to 'The 4th industrial revolution'.

Presentation of New Technology from exhibitors

Opportunities to release their new technologies and
products in front of those who work in manufacturing field

Ⅲ. Additional Events(Gallery)
